**Resignations:**

1. Jeff DuCharme, our SCHS President, has put in his resignation as of December 31, 2021. He has personal matters that will take him away from this area for extended periods of time. (Resignation letter is attached)
2. Vicki Stock, our SCHS Vice President, has put in her resignation (see Vicki's email – Attached). She doesn't have the time to devote to the museum like she would like to.

There was an extended discussion on the next steps to fill these two vacancies. Our first step will be to use word of mouth to recruit for new board members. It was also suggested that we see what other museums are doing for their boards.

**Grant Writing Educational Session:** Joy reported on the grant writing class she attended. The services of the company that put on the class offer their services in grant writing.

**Meeting with John Glisczinski of Sibley County.** Holly spoke with John about additional contributions to the museum from Sibley County. She relayed that John felt if there was more known about the museum, it would be good for more contributions. He suggested enhancing our genealogy services. He indicated that the commissioners would be touring Sibley County and would be coming to Henderson to eat at the Roadhouse and then would entertain a tour of the Museum.

Meeting was adjourned at 6:20 pm.

Respectfully Submitted

Dear Sibley County Historical Society Board Member's and Volunteers,

It is with my greatest regret to inform you that I am resigning from the SCHS Board and Museum as of December 31, 2021 unless you deem sooner. Due to my mom's failing health and my good friend Eric who has been diagnosed with Melanoma, I feel my needs are more importantly with them.

Please know I wish you all the best and hope you can sustain the needs of a Museum representing Sibley County and fulfill the interests of up coming generations all people young and and not so young. It's a challenge but you have been successful to date.

Wishing you all the best success.

Jeff DuCharme  
SCHS President

Resignation Letter from Vicki Stock, SCHS Vice President

October 28, 2021

Dear Fellow Sibley County Historical Board Members:

With the recent resignation of Jeff DuCharme as the President, I have been pondering how this will affect my responsibility as the Vice President. I am the main caregiver for my aging father, we go south for part of the winter and in the summer months we spend a great deal of time up north; in addition to my membership in a couple of other organizations and committees for my church. It is inevitable that I will need to spend more time at the Museum. Time that I do not have to do an adequate job. I apologize for resigning prior to the Annual meeting, but the Board needs someone that has the time necessary to be a leader; I am not able to provide that time.

I find it necessary to turn in my resignation as the Vice President and Board member of the Sibley County Historical Society. I have enjoyed the time I've spent as a Board member and appreciate the time and energy each of you put in as Board members. I wish all of you the best as you move forward in the best interest of the Museum.

This resignation will be effective January 1, 2022.
